

GroundFX™

Social distancing floor decals!

Carpet and Outdoor decal applications are available.

GroundFX is the ideal solution for delivering a community message with high-visibility.

The **GroundFX** system is UL Classified, slip-resistant and **fully insured against slip and fall claims!**

The **GroundFX** system is a full colour, scuff-resistant and fully water-proof decal engineered for application on tile, concrete or wood floors. It's durable but easily removed without residue when this pandemic is finally over!

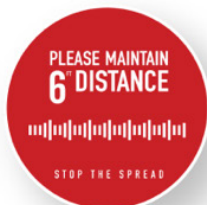

Our **2 million dollars liability insurance** gives you peace of mind when dealing with retail applications! And we're staying open to help you move your products out to essential services.

It's easy! Just send us your electronic file and we

Choose any existing design or Customize one with your own logo and unique message.
